

**OREGON 2**

The Oregon 2 is a 5.1m x 3.8m log cabin which features a stunning terrace giving it a homely and unique feel which is perfect for adding your own finishing touches such as potted plants. Made from 44mm logs, this building is not only sturdy but will keep warm during colder months. Finished with an Apex roof, the Oregon 2 also features double doors and two windows on the front of the cabin with an additional single window on one side to allow in plenty of natural light.
